Technical Staffing and Recruiting

The Right Person, in the Right Seat, at the Right Time

- 1 Qualifying:** Your dedicated account manager works with you to understand the resources you need to fill.
- 2 Sourcing:** Our dedicated talent recruiters leverage our deep talent network on your behalf.
- 3 Screening:** As an IT company, GDC is uniquely qualified to look for industry professionals.
- 4 Selecting:** Our recruitment teams present pre-screened and qualified candidates.
- 5 Hiring:** With our proven process, one in every three candidates accept the position.
- 6 Onboarding:** GDC tailors our involvement in welcoming your new talent to the team.

GDC As Your Strategic Partner:

Contract: Short-term or long-term augmentations to supplement your in-house resources with skilled technical professionals.

Contract-to-Hire: See how our candidate performs and interacts with your team before hiring them into your organization.

Direct Hire Placement: We collaborate with your HR and Management team to identify the perfect talent to join your team directly day 1.

Workforce Delivery: GDC's Hybrid Model allows your company access to our in-house resources.
